WE LOVE!

@84thand3rd

Sydney photographer and stylist Jennifer Jenner, who also features on @decadentpantry, posts settings styled with her own hand-made plates and bowls. If you like the artisanal look currently hot in restaurants, then you will love these. Available to buy at thedecadentpantry.com.

This week's cover

Our cover features an award-winning home by architect Christopher Polly. Called the Unfurled House it's a study in bringing light into a dark house without losing its character. More on page 22. Picture Brett Boardman
